

Welcome To TANK Plus

Coming to Southgate soon!

Want to learn more about this new service?

Join us August 6th from 4-6PM at the Southgate Community Center!

Meet our team, explore the new bus, ask questions, and take home some cool TANK+ swag. We can't wait to see you!

What is TANK Plus?

TANK Plus is a flexible, on-demand way to get around town, curb-to-curb within our designated zones...or connecting you to our fixed route service to travel outside of the zones.

Instead of fixed bus routes, we use smaller vehicles that you can schedule when you need a ride, either through an app or our call center. It's all about making your transit experience more personalized and convenient.

**Can't attend? Learn more at:
